- ❖ Up Rising Stars Inc. is a family run, 501c3 non-profit organization operated by Danielle Worth, Darcell Johnson, and Keiana Worth. This organization was founded in September of 2011.
- ❖ As a family, we believe that everyone is a rising star. Up Rising Stars Inc. motivates and financially assist deserving high school students by giving scholarships to help fund their college education. We want our youth to know that we care and are willing to provide resources so their dreams can become a reality.
- ❖ The name of our scholarship is called "The Phillip Dorsey Scholarship Award" and it is in loving memory of Phillip Dorsey, who was Keiana Worth's father and Danielle Worth's step-father. Phillip Dorsey was a natural born humanitarian who had a passion for helping others, and particularly opening closed doors for our youth.
- ❖ His generosity and commitment to help those in need was his life-long legacy, and Up Rising Stars Inc. is honored to carry on that tradition by helping young people reach their star potential and attain their future success as they pursue a higher education.
